

Stay Cool, Dog.

K9*CHILL™ COOLING COLLAR

Keeps your dog cool for hours.

Reduces heat-stress + fights fatigue.

Dogs can't sweat. They pant to regulate their body temperature. The hotter it gets, the harder they have to work to keep themselves cool. Dogs just want to chill. They'll need extra help during the warmer months to keep them staying cool...

K9CHILL™ is the comfortable + safe way to combat overheating, reduce fatigue, prevent heat-stress + alleviate dehydration.

Simply moisten K9CHILL™ with cold water. K9CHILL™ is made with a unique blend of breathable + lightweight materials which allow it to retain moisture for hours longer than an ordinary sponge or cotton towel.

K9CHILL™ even has a leash hole built in, so your dog can stay cool on the go!

UPF 50+
